MONTHLY NEWSLETTER

October 2016

Then I heard the voice of the Lord, saying, "Whom shall I send, and who will go for Us?" Then I said, "Here am I. Send me!" Isaiah 6:8

Seeing the people, He felt compassion for them, because they were distressed and dispirited like sheep without a shepherd. 37 Then He said to His disciples, "The harvest is plentiful, but the workers are few. 38 Therefore beseech the Lord of the harvest to send out workers into His harvest." Matthew 9:37,38

How then will they call on Him in whom they have not believed? How will they believe in Him whom they have not heard? And how will they hear without a preacher? 15 How will they preach unless they are sent? Just as it is written, "HOW BEAUTIFUL ARE THE FEET OF THOSE WHO BRING GOOD NEWS OF GOOD THINGS!" Romans 10:14,15

Dear Friends and Brethren,

Sent by God! Working for God! Preaching for God! These are awesome declarations for any human being to hear. Like Isaiah, we tremble at the thought that The Holy God would use us, sinful men and women, saved and cleansed by His grace in Jesus Christ, to take His Good News to those who have not believed. As we see this happening in our midst in the lives of those that the Lord is bringing to MITC to prepare for ministry, we give thanks and praise to the Lord Jesus Christ and His works among us.

Year in Practice Students

We have started the school year with the arrival of our new students; seventeen in first year in the Full-Time program (on campus), and thirty-three in first year of the Saturday Seminary program for adults. Our total enrollment in the Bible Schools for this year, by the grace of God, is **117 students**. Thank you for your prayers for God's workers for the harvest. God is raising them up one by one. We look forward to what the Lord will do in and through them for His Glory.

Chuy Abril and Mariela in Aculcinapa

The last year of the Full-Time program (4th year) is a **year of service** at a church or mission, usually located in the mountain villages. Here, the students depend upon the Lord's provision through the local brethren for their support

Completed VCM Project

and living. It is truly a “year of faith,” as they are assigned by the MITC staff to one of the many churches that have asked for assistance in their ministries. There they serve according to the need and to their God given gifts. Some serve as pastors, others as missionaries, teachers, children workers, women’s teachers, and all helping with the many needs in the local church. Working alongside the lay leadership, they also seek to bring solid Scriptural teaching and share the Gospel with the unbelievers in the area. All their training in the three previous years is put to the test in real life ministry. After serving this year and by God’s grace, they will graduate. Their

graduation will be more than just a paper certifying a completion of a curriculum; it will have the additional seal of service to God’s people for a year. We are very thankful to the Lord for our **Year In Practice** students and request your prayers as they represent the Lord Jesus in their assigned locations. Here is the list of students and churches where they are serving. Thank you for praying!

3-Church Mission Group

Jonathan in El Pochote, Zareth in Tlacoapa, Marbeli in Usila, Silgian in Xalapa, Abril in Aculcinapa, Efrain in Santa Maria Papalo, Angeles in The Torch, Claudia in Cacique, Daniel in Pena Verde, Mariela in Aculcinapa, Rigo in Guerrero, Manuel in Cangrejo, and Elisama in La Alianza.

We are blessed to be using our new VCM building to begin this new school year. God’s provision for this project was awesome and allowed us to work with no interruptions from beginning to completion. We thank the Lord for this place we are using for classrooms, visitor dorms and soon for medical activities. This new building, in addition to housing both of our Bible School programs, is also the location of this years’ Christian Music School with its seventy-three students. We are very grateful to those who gave of their means for the glory of the Lord in this project.

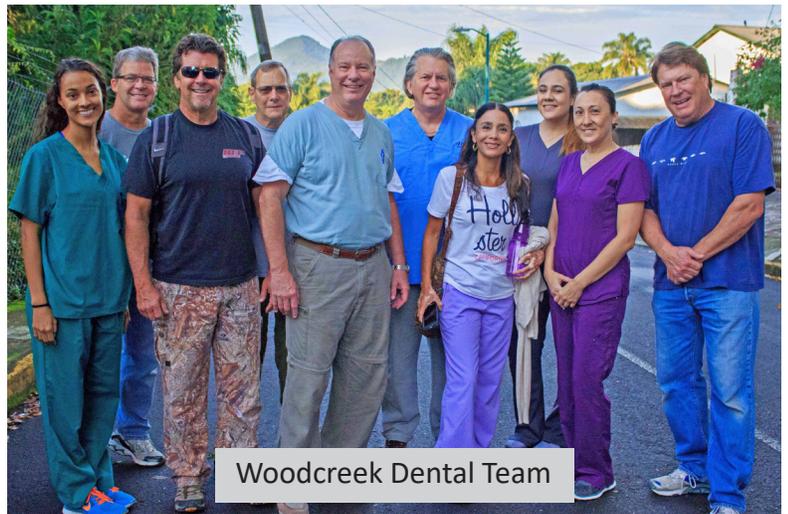

Gary Richardson

God’s sending His servants to His Work was also beautifully displayed this past month as **Gary Richardson, Eber Flores, and Dick Patterson** joined their three church groups as one-mission team to Mexico serving here at MITC. These three brethren have been coming to Mexico for many years, motivated by God’s love and an intense desire to serve His people and others here in Mexico. They have helped build many of the facilities on the MITC compound (as well as repair, maintain and remodel them). They have also worked on many church building projects and this year, they continued in this tradition of over twenty-five years of mission work with us. The group did construction, painting, welding, carpentry and sewing projects here on site and at the Pochote Project. They also held children ministries, working alongside our Bible students in several local area churches and also in Cordoba orphanages. We enjoyed their preaching in our daily Chapel. These brethren, led by Gary, have also been an integral part of the commissioning service of our **Year In Practice** students. There they receive their ministry assignments for the 4th year

and with prayer we “send them out” to the Lord’s work. This thirty-one person group was a wonderful encouragement as we began the new school year. Praise the Lord for His servants.

Dr. Chris Miller and his good friends **Drs. Mason, Stuttsman, and Brodie**, led the **Woodcreek Church Dental Team** in sharing the Love and Gospel of Jesus Christ with others through dental care. God has been pleased to use this method for many years here at MITC to open doors for the Gospel in lives of individuals and towns. Once again, as many times before, God blessed and used these brethren for His

Woodcreek Dental Team

Chris Miller in action

town on a weekly basis. So God’s Word continues to go forth! We are thankful for Brother Chris and his faithful leadership in this dental ministry for over thirty years, helping with the dental health and sharing God’s love with the people of Mexico.

We are thankful to God for allowing us to be a part of His work, and to receive His grace and provision by His children that serve Him together with us. Thank you for honoring the Lord in this way and for blessing us with your prayers, love, and support. May the Lord continue to

glory and His Word as they performed dentistry in three different off-campus locations. Two of these sites were in places that we do not have a church or mission and this dental work was a great opportunity for evangelism for the first time. One of these places was at **Tlicalco** up in the **Nahuatl** region near **Aculcinapa** where our 4th year student, Abril, is serving. Now because of the testimony given by our Dental team, she (Abril) has been invited and is now teaching guitar to the high school students and sharing the Gospel especially with the youth of this
