Vol. 288

MONTHLY NEWSLETTER

November 2016

Sing to the LORD a new song; Sing to the LORD, all the earth. Sing to the LORD, bless His name; Proclaim good tidings of His salvation from day to day. Tell of His glory among the nations, His wonderful deeds among all the peoples. For great is the Lord and greatly to be praised; He is to be feared above all gods.

Psalm 96:1-4

Sing to Him a new song; Play skillfully with a shout of joy. Psalm 33:3

Be exalted, O God, above the heavens, And Your glory above all the earth. Psalm 108:2

Dear Friends and Brethren,

The **Worship and Technological Resources Congress, "Exalt His Glory"**, was a tremendous blessing to us and to hundreds of worship leaders, choir directors, pastors and missionaries from all over Mexico, who came for the two day event here at MITC. This is the third Congress that the Lord has enabled us to host. **Ronnie Cates from Broadmoor Baptist Church** and **MITC's Marco and Esdras Barroso** were the coordinators of this Congress. Our purpose is to teach Biblical Worship and emphasize Christ-centered, Christ-glorifying songs and hymns in our time of corporate service in the churches throughout

Mexico. We seek to do it WELL, using all the musical and technological resources that are available. Fundamentals for worship leaders, choir directors, choir members, musicians, audio and video staff personnel are taught in this Congress. Seeking that through all of these tools, we may focus and use everything to bring glory to the Person of our **Lord Jesus Christ, Soli Deo Gloria!** The conferences this year were taught by **Pastor Heriberto Hermosillo from the Hispanic church Semilla de Mostaza in McAllen Texas**, and by **Herb Armentrout, Worship Director of Broadmoor Baptist Church of Shreveport, Louisiana**. The Lord used both of these brethren

Heriberto Semilla Team and Dan

powerfully as they "built up our faith" through the preaching of the Word of God in the general conferences. We also had ten simultaneous workshops (for a total of forty workshop sessions)

Herb Armentrout

with amazing musicians, choir instructors and technicians who came with the teams from Broadmoor Baptist and from Semilla Church. Some of the workshops were: Principles of Worship Leading, Musical Directors and the Worship Service, Visual Media, Acoustic Guitar, Bass Guitar, Drums, Keyboards, Audio Basics, Vocal Technique and Choir Direction. God provided amazingly gifted and willing men to come and serve the brethren here in Mexico, teaching these many useful and vital things. Our prayer is that all that was taught will have an enduring effect upon the recipients and that this in turn will help the body of Christ as it gives glory to the Only One who is worthy of Praise and Honor forever, our Lord Jesus Christ! We are thankful to the Lord for all our teachers and all the participants in this Congress. Music and Worship principles are also taught in our full time Bible School and in our Christian Music School here at MITC. But this Congress is a special ministry in that it compacts everything into two days, bringing this Biblical Christ-centered worship emphasis and technical resources to churches throughout southern Mexico. Praise the Lord for His provision for this congress that, by God's grace, is totally free for those attending*. *(As all MITC ministries are, by the grace of God!)

Marco, Ronnie and Ez

Jimmy Vazquez, Esdras, and Marco Barroso, continue to instruct our students in our Full-Time Bible program. Jimmy teaches basic Music theory and keyboards, Esdras teaches guitar, and Marco teaches voice, choir, and worship leadership. Through the excellent ministry of these brethren in this area, all of the students are prepared to help with the worship needs of churches where they will be serving as they go out from MITC. All this is in addition to their preparation in the Scriptures and other essential subjects for ministry.

Music has been an important part of the ministry here at MITC since my mom, **Mrs. Dee Hall**, started teaching music, voice and instruments in the beginning years of the Bible School. We are thankful to be able continue with this important aspect of training.

YIP Students with Dan and Chuy

Last month, Chuy and I traveled to the **Cuicateco region of Oaxaca** for a three day Bible Conference at **Peña Verde** for the church leaders of that area. While we were there, we were also able to see our three third year students (**Danny, Efrain, and Claudia**) who are serving in the churches of this

remote mountainous area. God blessed our time there and our travels, including during some sliding action on the way down where they were widening the dirt road....that with the rain became a little mud slide. Once again, the fellowship and generosity of these brethren in the mountains reminded us of the heart of our Savior. As we were leaving, the leader of the host church, brother **Taurino** gave us an offering of fresh picked corn to bring back to the mission family. Praise the Lord for His loving provision.

God continues to use **Dr. Tom and Daphne Robinson** to bring sight to people through much needed surgeries. **Dr. Tom, Dr. Elesban, and Drs. Salisbury,**

Taurino and Corn Offering

Dr. Tom Preop Patient

Swann and Le joined efforts to work in a three day campaign performing cataract surgeries on people from the states of **Oaxaca, Veracruz and Puebla**. God blessed their trips and also the surgeries. All these procedures are done here on campus. We are grateful for the opportunities to share the Gospel with patients and relatives as they come for this service that they would not be able to receive otherwise, except by God's provision here at MITC. Many hearts have been touched by this labor of love and many have come to know the Lord Jesus while here on campus through the ministry of the students. We praise the Lord for doing this among us and for the love and skills of these doctors that are used for the glory of God.

Praise the Lord for His many blessings and His work among us. Thank you for being a part of what God is doing here in Mexico through your prayers, love, and support. May the Lord continue to work in and through us for His Glory.

Yours in His grace,

Dan and Chuy Hall

US Eye Team
