**MONTHLY NEWSLETTER**

**July 2012**

*My son, forget not my law; but let thine heart keep my commandments: For length of days, and long life, and peace, shall they add to thee. Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart: So shalt thou find favour and good understanding in the sight of God and man. Proverbs 3:1-4*

*I have no greater joy than to hear that my children walk in truth. 3 John 1:4*

**Graduation Day** here at **MITC** marks the completion of the time of preparation and testing in the lives of our students. Families, churches and friends come from afar to participate in the special moment of thanksgiving to the Lord with the graduates and all the mission body. During the service, we recognize both the Provision of God for what has been

accomplished in the lives of these young people, as well as their efforts and perseverance in the course during the four years with us. God has graciously allowed us to be a part of the work He is doing *in* them and *through* them for the glory of Christ. You who support in prayer and giving are also co-laborers with us in this kingdom work. So Praise the LORD with us for our 2012 graduates! Pastor **Mike**

Galo, Chucho, Alejandro Silva and Dan

**Stowell** preached the **Bible Conference** and **Graduation Service**. He brought powerful messages concerning our relationship with the Lord and regarding the life of intimate fellowship through prayer and the Scriptures as the indispensable source for success in the Gospel Ministry. We had many very special guests at the graduation this year (over 800), several of our board members from the **United States** and **Mexico**, including our former and present Executive Directors: **Bill Magee** and **David Bryant**. We are especially grateful to the Lord for giving Brother Bill the strength to make the trip and to **Dr. Bo Worley** for his care and help in bringing him (B. Magee)

down to be with us. Brother Bill brought back many special memories as he played the harmonica and sang praises to the Lord Jesus. Also attending the graduation and causing our hearts to overflow with joy, was a contingent of seventy **Tlapaneco** brethren led by former graduates, pastors and missionaries in the mountains of the state of **Guerrero**. In this group of brethren were also twenty-three students from the Tlapaneco Bible School, which is completely staffed by MITC graduates. So it was truly like having the “children of our children” who are “walking in the truth” at this special time of celebration. One particular family from the mountains of Guerrero was present and deserves special notice. **The Silva family** and the two older brothers **Alejandro** and **Galo**, are both graduates from past generations (classes of 1993 and 2006). This year, the youngest of the three, **Jesus “Chucho” Silva**, graduated and goes to join his two older brothers in the Lord’s work in the remote areas of Guerrero. Each of these young men in different moments of their ministries, have already suffered hardships for the Gospel of Christ among the Tlapaneco people. We thank the Lord for His grace in their lives and for their walk in the Truth for the glory of Christ.

To help us get the campus ready for Graduation, we had the help of the work group from **Summer Grove Baptist**, led by **Cecil and Sissy Snider**. They worked to help finish our Chapel extension project, which now allows us to seat forty extra people during the Bible conferences and other activities of the year. They also helped paint many areas of the compound including our “living room-meeting room” here in the house (Chuy is especially thankful for that). They also made bunk beds for the new dorm areas. We were blessed by the two preachers who were with the group: Brother **Paul Flowers** and **Gary Palmer**, both of whom spoke in Chapel to the students and in local area churches. **Shannon Flowers** (Paul’s wife) was a great blessing to many children as she shared the Gospel in several Bible Club activities.

Summer Grove Team

Our partners in Medical Evangelism came once again from **Brookwood Baptist Church**, led by missions’ pastor **Donny Lee** and **Dr. Jeff German**. This team of brethren ministered medically in ten different locations while our

translators and students worked beside them, communicating the Word of Salvation to those who came for physical help. Five of the clinics were set up in churches or missions in the **Cordoba** area. Another five clinics were held in the **Chinanteco** area of **Oaxaca**, in the churches in the villages of **Rio Manzo, La Soledad, La Fuente Misteriosa, Loma Bonita** and in the recently started mission work of **Cangrejo**. Through the loving care of these brethren, a powerful message was given of the grace of God and salvation through his Son Jesus Christ. We praise the Lord for these brethren from Brookwood who are instruments of blessing, faithfully serving among us year after year!

This past month, we had another special blessing on campus with the arrival of **Rebecca Danielle**. **Marco and Gina Barroso** are the proud and grateful parents of this precious baby who is a reminder of the goodness and greatness of our Heavenly Father. Our prayer is that in time, she too, will “walk in the truth” of the Lord.

Thank you for your prayers, for through them God has opened many special opportunities for service. Also, thank you for your support which allows us to continue pressing on for His glory.

May His Grace abound in your lives.

Yours in His grace,
