Vol. 228

MONTHLY NEWSLETTER

April 2011

Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us.

Psalm 62:8

There failed not ought of any good thing which the LORD had spoken unto the house of Israel; all came to pass.

Joshua 21:45

Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;)

Hebrews 10:23

We have believed in the only Living, True and promise keeping God! Jesus our Savior, came at the appointed time, died on the cross of Calvary and rose again on the third day! All of this was promised by God to save us from our sins. Only He is worthy of all our trust and faith and may the Lord strengthen us in our lives each day as we walk in Him! Circumstances may be difficult and discouraging at times, but He will never fail.

The Lord allowed us to have our seventh annual Women's Conference here on campus. This is a time of teaching, fellowship and encouragement for ladies in the churches from this area of Mexico. Our staff wives and female students, work in coordination with ladies from **Woodcreek Church** to set up for this two day event. This year's theme was "His Princess'", and focused on the transforming grace of God that takes us from our sinful state without Christ and puts us in His Royal Family as children

and heirs with the King, our Lord Jesus. **Chuy** headed up the Mexican side of things and worked with **Carol Brewer** (Woodcreek pastor Brewer's wife) to orchestrate the activity. Our guest speaker was **Mrs. Pat**

Carol Brewer Chuy Hall and Becca Brewer

Harley. The compound was overflowing with ladies (almost 400) who participated in workshops, crafts, small group fellowships and the time of teaching.

Among the attendees of this conference was a group of ladies from the town of **Usila**. We have been working in this town and area in the Chinanteco sector of the state of Oaxaca for over forty years. In the last few years, the church in Usila has been experiencing a special time of strengthening and growth in the Word and in the church membership. God has raised up young couples to serve and lead in the church. During the time of the Women's conference, one of the ladies named **Catalina** (wife of **Rober**, one of the young church leaders), from Usila was having some severe headaches. Initially, it was thought she had "migraine" type headaches. However, after a couple of weeks the pain had increased exponentially. Further tests were done and it was found that the cause of her pain was cancerous brain tumors. She was operated on here in Cordoba and received radiation treatments, but all to no avail. Catalina died here on the MITC campus less than a month after her initial symptoms appeared. Catalina headed up the women's group in the church in Usila and ran a small store in town. She and Rober have two daughters ages ten and six. About 2000 people attended her funeral service, where the testimony of her faith and desire to serve the Lord Jesus and His church, were the central parts of the message. There was also a challenge to all to surrender

Rober and Catalina

to the Lord Jesus in faith and serve Him as she did in her young life. Before her surgery, Catalina told her husband these words: "If I live, I live for Jesus, if I die, I die for Him, so don't worry about me". God has promised grace for all situations in our life and this was evident to all of us in a very powerful way. We are blessed to have known this precious "Princess" of our Lord and thank the Lord for His grace and salvation in her life.

We had the opportunity to visit the mountainous village of Tejas, for a weekend conference for the leaders of that area. Again, we were impressed by the commitment to learn the Word of God shown by the brethren, some walking up to six hours to reach the village. The fellowship and loving hospitality of the brethren was a great blessing to Marco and Gina Barroso and to Chuy and me. This

year, Marco and I shared conferences from the book of Romans. Even though we try schedule our trips to this area during the hottest, driest time of the year, it seems that every time we go we are accompanied by rain. This year was no exception and the mud road back down was a great challenge because of the steep grade. But the Lord kept us from sliding into harm and we were able to rejoice in His promise of "Keeping

Girl brings banana offering for Tejas Church, pictured with Chuy and Gina.

our Going out and Coming in," once again.

God also promises to supply all our needs, and Jimmy Roblero (alumni and our music teacher) has surely seen this to be true in his personal life, as the Lord has given him his "better half." Jimmy and Leslie (4th year student) were happily married on March 12th. We are thankful for their lives and pray the Lord will continue using them, as a married couple in His work here at MITC.

Regarding construction projects here on campus, we are presently finishing the new apartment for Jimmy and Leslie, refurbishing Juan and Lupita Garcia's home, and putting tile floors in the general dining hall. We look to the Lord for these things and are grateful for His provision.

We praise the Lord for His faithfulness and we thank you for your love, prayers, and support. May we all continue to trust and serve our promise keeping God.

Yours in Him,
Dan and Chuy Hall

Jimmy and Leslie

The 2011 schedule for groups traveling to MITC is listed below. Churches having an interest in forming a group to go to Cordoba on a mission trip should contact the MITC office in Shreveport, LA via e-mail or phone to discuss arrangements. First-time groups are generally merged with a veteran group.

| | | | | | |
