Heaven and earth will pass away, but My words shall not pass away.

The Great I AM, was the cantata presented by our United Youth Choir during the Easter Week activities this past month. Here in Mexico, this is the biggest holiday of the year. More people travel and visit during the days from traditional Good Friday through Resurrection Sunday, than any other weekend in the year. Schools are out the whole week and many businesses close from Thursday on, so there is a great opportunity to have public meetings to share the Gospel. God allowed the choir to have seven presentations. Through the message in song, the Faithfulness of God in Jesus Christ and His great Power was beautifully presented by the youth. The Lord blessed the Proclamation of His Word

to our hearts and the music and singing were a mighty testimony to the Majesty of our Lord and King. Once again, the commitment of the kids, their discipline to learn the parts and words and the joy and passion as they praise the Lord brings much

joy to our hearts. It also gives HOPE for the future, despite the difficult times we live in now. God is Faithful! We are very grateful for **Marco and Esdras Barroso**, whose work with the students and at the different venues makes these concerts possible.

“Trust in the Lord at all times and especially in trying times”, was the theme during the **Chinanteco Ladies** conference in **Vega del Sol**. Studying the life of Esther and the faithfulness of God as shown in that Old Testament book, **Chuy and Gina Barroso** led the Bible studies with ladies from the villages of **Arroyo Limon, La Fuente, Rio Manso, Cangrejo, La Soledad and Palantla**. Life for the ladies in the villages is not an easy thing, so it was like a special holiday when they came together at Vega. It was a sweet time of fellowship among the ladies, who also shared a meal with giant tortillas and fresh coconut milk. There was also a time to make a special craft to take back home. It is a blessing to see how the Word is growing in the Chinanteco homes represented by these ladies and how they encourage each other to continue loving and serving the Lord Jesus in their families and local churches.

We were blessed by the visit of **José Liscano**, a long time friend who is an expert in agriculture. Through the years, he has helped us by expertly dressing our lime trees on the compound. By pruning, cleaning and helping us get the most out of them, our lime harvest has increased consistently, year after year. Jose also loves music and to praise the Lord with instruments. In addition to teaching how to tend to lime trees, he helped several students with their musical training while here on campus. God is able to use many different types of talents and skills to bless others for His service on the mission field.

Jimmy and Leslie are learning to wait and trust in the faithfulness of the Lord, especially regarding the life of their young daughter, **Sophie**. Sophie has had health problems that have seriously delayed her physical development. Soon after birth, her doctors detected a kidney problem that has been effectively controlled, but they are still searching for answers to why she is still very small. Sophie had her first birthday this past month and we had a party celebrating the life God has given her. Please keep this precious family in your prayers, as Sophie continues with tests and consults in the upcoming weeks. (Jimmy

and Leslie are both MITC alumni, and are full time staff members).

The Lord allowed us a brief visit to **Shreveport** last month to attend several Board and church meetings. Also during that time, I received much needed help with a dental problem. I am very grateful to **Dr. Jerrald Turner** and his staff for their generosity and kindness in the procedure. Thanks to his skills (with God's blessing), my personal health received a tremendous boost! The

whole trip was made possible by our brethren at Broadmoor Baptist and we are grateful to the church and especially to our hosts during our stay, **Dave and Peggy Murphy**. God's love was very evident in our entire trip. To Him be the glory!

The grace of the Lord has been great upon us, enabling us to continue in His service here in Mexico. As the apostle Paul said, *...But by the grace of God I am what I am and His grace toward me did not prove vain.* Continue to pray that the Lord will keep us close to Him and that He would guide us each day and accomplish His will in and through us here at MITC. Thank you for your prayers, love and support. It is through them that we are able to be here and the Lord continues to use this work to spread the Gospel of Christ and the message of the only True and Faithful God here in Mexico.

Yours in Cordoba,
By His grace,

Dan and Chuy Hall
