MONTHLY NEWSLETTER

December 2013

For I came down from heaven, not to do mine own will, but the will of him that sent me. 40 And this is the will of him that sent me, that every one which seeth the Son, and believeth on him, may have everlasting life: and I will raise him up at the last day.

John 6:38, 40

And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth.

John 1:14

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord.

Luke 2:10 11

We praise our Heavenly Father for the Great Salvation we have through the Son Jesus Christ. His coming down from heaven to be one of us and SAVE us is the center of all Human History. We have Great Joy in our Lord and Savior Jesus Christ!

This was the message presented during the Christmas Cantata with our Youth Choir, led by Marco Barroso. The sixty voice choir was used by the Lord in a clear and powerful way during the ten presentations here in the central Veracruz region

of Mexico. God opened doors to sing in town squares, a high school, churches and here in our campus auditorium. The youth prepared for months, spending their Saturday evenings in Choir practice and study. This ministry is not only a great blessing for the many who hear the presentations, but also to the singers themselves, as they are taught the scriptures and walk in the truth of God. They are called upon to live in a way that will compliment the truth that they sing and they encourage each other to trust and obey the Lord.

This month, we also had our **December Bible Conference** with **Pastor Mark Webb**. This was his 24th year to come and be used of the Lord in the teaching of the Word. He brought a series from the Book of Job that God used in a powerful way to show us that we can always trust in our Almighty God in every situation and event of our lives! He will do His Will and receive glory through it all in the lives of His children through the grace we receive in Jesus Christ! During this time, we also had our Annual Alumni reunion with many of the former students now

in the ministry attending the meetings. The last night of the meetings, we had to move to the large Auditorium to accommodate all of the brethren present to hear the message. We thank the Lord for Mark and his service to the church here in Mexico. Our year in practice students (4th year) were also in from their mission stations for the Bible Conferences. Brother **Gary Richardson** (MITC board member) came down to hear their reports and encourage them as they enter the last semester of service. God has blessed each of them during this time and we look toward a special time of graduation for them this coming summer.

Mary and Charlie got married! Yes, after a long wait for papers from the United States for Mary, they got the required visa and we had their wedding on December 14th. **Pastor Kevin Landis** (Charlie's Pastor) preached the service. We are very happy for the new couple and pray for God's blessing upon them. They will be living in **Cincinnati**. **Brother Dane Logan** was also here during the week for the wedding and to work on the teeth of all the staff and students.

A team of six MITC staff members went on a joint mission trip with brethren from **Broadmoor Baptist Church** to **El Salvador** to work with BBC missionaries **Eric and Susana Resendiz**. They visited eight different villages and churches, sharing the Gospel of Jesus Christ and having special programs for children. It was a very special time in their lives to have the opportunity to share the Love of God in another country of Latin America.

On the 5th of December, the Lord called my Mom, **Dee Hall**, to His presence after many years of illness due to cancer. God's grace was abundantly evident in her life and ministry. Founding the mission and Bible School alongside of my father, **Dr. Hall**, she "obtained a good report" through her faith and faithfully "finished her race" serving Christ. The Lord used her especially in teaching: music, singing, to play instruments, and in starting the Music program here at MITC in the 1970s. She continued playing Hymns of worship and praise to the Lord on the piano in Sunday services at their trailer park Church up until the month the Lord took her home. Without a doubt, she was the person God used most in my personal life to teach me to love and read His Holy Word. I can truly say "there is no greater missionary than a Christian Mother!" She was 90. We praise the Lord for her life, love and ministry. We are also very grateful for all the love and prayers of our many brethren and friends on our behalf during this time.

Thanks be to God for sending His Son to save us from our sins. Praise the Name of our Lord and Savior Jesus Christ for coming from Heaven to give His life for our salvation and for sending His Holy Spirit to bring us to life through faith in Him. All Glory be to GOD for His work in and through us here in Mexico. Thank you for being instruments of His grace by your prayers, love and support for us here at MITC. God bless you richly.

Yours by His Grace,

Dan and Chuy Hall
