**MONTHLY NEWSLETTER**

**June 2015**

Beloved friends and brethren,

***And how is it that we each hear them in our own language to which we were born? Parthians and Medes and Elamites, and residents of Mesopotamia, Judea and Cappadocia, Pontus and Asia, Phrygia and Pamphylia, Egypt and the districts of Libya around Cyrene, and visitors from Rome, both Jews and proselytes, Cretans and Arabs—we hear them in our own tongues speaking of the mighty deeds of God.”***

Acts 2:8-11

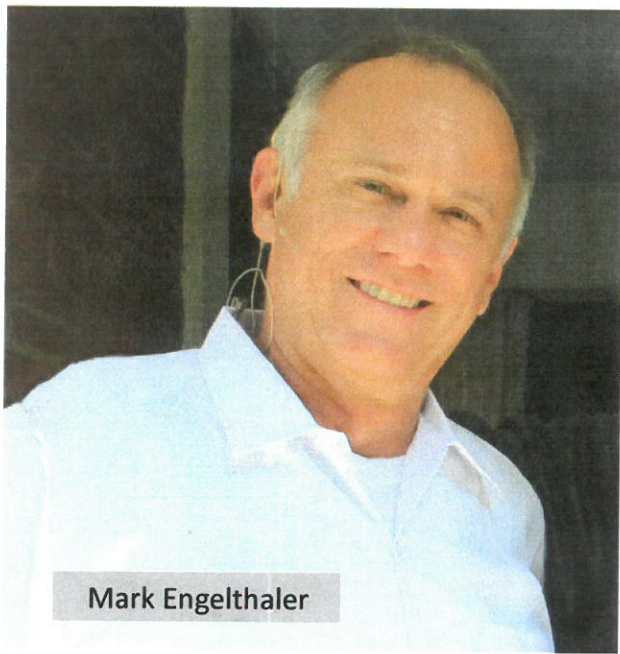

***And they sang a new song, saying, “Worthy are you to take the book and to break its seals; for you were slain and purchased for God with Your blood men from every tribe and tongue and people and nation.***

Revelation 5:9

Praise the Lord Jesus for His Mighty Work on the Cross for our Salvation! We Praise the Lord that the saving knowledge of His grace and mercy is reaching people all across the world of many tribes, tongues and nations. During this year's Graduation Ceremony, we heard the official Welcome and Blessing in ten of the different languages of our students here at MITC. It was a blessed reminder that God is NOW fulfilling this reality of His Great Family of many different peoples and languages, but with ONE new song of Praise to the Lamb of God, our Lord and Savior Jesus Christ. (You can see this multi lingual greeting video at

the following link in Face Book <https://www.facebook.com/pages/Cei-Mitc-Official/122884147776156> ). God has blessed MITC, opening the doors of ministry to many peoples and tongues throughout southern Mexico. Students from the Chinanteco, Nahuatl, Mayan, Mam, Cuicateco, Zapoteco, Mazahua, Mixe and

Tlapaneco, come and train, then go back with the Gospel and teaching the Word of God and the life-giving message of Jesus Christ to these many different groups. Our speaker this year for the Conferences and Graduation was our friend and Pastor from **Woodcreek Church, Mark Engelthaler**. We

studied lessons for the Church from the Early Church in the book of Acts. The insights were challenging and refreshing as we examined the Lord's working in our brethren of 2000 years ago, and how the same Spirit applies the Word of Christ to our lives and ministries today. God used Mark in a clear and powerful way to bring these messages that were especially helpful for

Christian Music School

our twenty-three graduates from the Full Time and Saturday Seminary Programs. We are thankful to the Lord for these students that have finished this part of their preparation for the Lord's work. Most of the graduates have been called by churches to serve as pastors, mission workers and Bible teachers.

Also during graduation week, we had the "end of year" recital for our Christian Music School. This is the second year the MITC's CMS has been functioning and it is a great blessing to see the forty-five students growing in their musical knowledge and playing hymns and choruses on different instruments and singing. Music to the Lord transcends all languages when it is expressing the greatness of our God and the love He has given us. Next year, Lord willing, we will have our first graduates from this three year program.

Language difference was no problem at the Chinanteco churches in the villages of Arroyo Limon and La Fuente Misteriosa. They were blessed by the hard work of the **Woodcreek Church Youth** group who went and held Bible Clubs for the children and also gave the church buildings in these two places a major facelift, painting them inside and out. God used these high school kids, led

by **Paul Fazio**, to encourage and bless these Chinanteco speaking brethren in the state of Oaxaca. Here on the MITC campus, the Woodcreek students helped with the Dental Clinic renovation project, demolishing walls and preparing for the new counters, doors and windows. It is great to see these students doing mission work at a young age and we pray that the Lord will use it to shape their hearts for the Lord's service for the rest of their lives.

Also helping us with translation and bringing the English and Spanish speaking peoples together was Hannah Hagerjhelm, who came with a work group from 1st Baptist Haughton, led by her father, Mark. Hannah stayed with us throughout the summer and helped with translation for most of the visiting groups in the months of June and July. We are thankful for Hannah and these brethren and their service to our Lord.

Brookwood Medical

**The Brookwood Medical** mission team was lead by **Pastors Mike Smith and Donny Lee and Drs. Jeffrey and Carrie German**. They had need of double translators as they went up into the mountains near Aculcinapa where Nahuatl is spoken. Speaking English to Spanish to Nahuatl, they gave consults for the health problems in five different towns and dispensed medicine and provided treatment for patients. This work of love opened many opportunities to share the Gospel and the Lord greatly blessed this ministry. Homes were opened to the team and even two towns that previously had not allowed the Christians to openly share their faith, received the team and their service. God worked in a powerful way and the Name

of Jesus Christ was highly exalted. The Nahuatl brethren of the region were encouraged in their faith by the doctors. We had requests from other town leaders to please come back with the doctors and visit their village to bring help with the message of Christ. Praise the Lord that all language barriers were broken down. Also, the opposition to the Gospel that prevailed in this area was overcome by the love of the Lord demonstrated clearly through these good works of our brethren. To God be the Glory!

May we all continue to Praise the Lord in the language He has given us. . May our lives be a strong testimony that we belong to the Great Family of God, as the apostle says: *Whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks through Him to God the Father.*
