Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you. Matthew 5:10-12

Kevin Landis & Dan

God greatly used the preaching of His Word during the graduation Conferences and Service led by Pastor Kevin Landis of Bible Chapel of Delhi Hills Cincinnati.

From the Beatitudes, we learned the qualities and descriptions of all who belong to Christ's family and of the desire in each saved believer to be more like our

Christ. It was a special three day event with two days of conferences followed by the climax of our school year, which is our Graduation Day. With the arrival of many families, friends, church members, board members and of course, the whole mission family, we had about 850 people present. This

special time was dedicated to giving thanks to the Lord for His faithfulness and recognizing and honoring the sixteen students (nine full time program, seven Saturday Seminary) that completed their time of learning, training and service here at MITC. God is faithful and we see His loving provision through His children for His work among us here in Mexico at MITC! A big thanks on this occasion to all of our supporters in the love of our

Lord Jesus Christ. Praise the name of the Lord! Also, this past month during the visit of our brethren from Summer Grove Baptist Church, we had a special event that reminded us that God works through all acts of love done in His Name, large and small! Twelve-year-old Mallory had been saving and working all year to bring a special offering for the work in Mexico, hoping to help in the area of children's ministry. Upon arrival, she told us her desire to participate with her gift, but was seeking for an opportunity. One of the local orphanages where God has allowed us to share the Gospel with the

children, told us that week of basic need for chairs. During the week, and with a visit to the orphanage by Mallory and others in the group, it became evident that this was where the Lord wanted this special offering from a child of His, to be used to give testimony of His love for other children. We arranged a special time for Mallory to give the children the chairs. When she did, the impact in the lives of the children of the orphanage of the love of Mallory for them and her testimony of loving the Lord Jesus was enormous! God blessed the gift of the chairs and gave a wonderful opportunity to witness of His salvation in Jesus Christ. We are reminded of how the Lord used fish and loaves presented by a young boy to bless many others! Like Mallory, may we use what the Lord gives us to honor Him and bless others. The Woodcreek Church Youth Group was here! We praise the Lord for bringing this loving, encouraging and serving group back to be with us again after a four year absence. This year, they were led by youth Minister Danny Stinson. While here, they served in Children Bible Clubs and work projects on campus during the first part of the week. Then

they traveled to the Chinanteco villages of Vega Del Sol, Cangrejo, and Palantla, where they also worked with the children and helped to mix and pour concrete floors in the last two villages mentioned.

It has been a great joy over the years to see the teens from this beloved Church come prepared for their mission trips here, and then see how God uses many of them in His service years later! Several have gone into the ministry and some we know are now serving in Missions in other parts of the

have gone into the ministry and some we know are now serving in missions in other parts of the world. As the heart of MITC is training young people for the Ministry, it brings us great joy to have this group from the United States with us as co-laborers here in Mexico. We greatly enjoyed the fellowship, and are grateful for the inspiring leadership of Danny and his ministry of the Word.

Slipping and sliding down the mountainside, the Brookwood Baptist Church "outback" medical team had a rain filled week in which they served the Lord. We thank the Lord for His protection on all their travels up and down the dirt roads to Tejas, Palantla, Arroyo Limon, Rio Manso, Cangrejo and Valle National. There they worked alongside the Chinateco brethren, using their medical skills to share the love of the Lord Jesus, strengthening the testimony of the churches in these remote areas. Led by Drs. Jeff and Carrie German and mission Pastor Donny Lee, this group literally camped out in these villages and took help and hope to many with great needs.

Thank you so much for your prayers for us! God works through them in special ways to advance His Gospel through us here at MITC. Thank you for your continued support, and as God leads you to share, He provides for all that is done and through us for His glory.

God bless you richly!

In His great love and Grace,

Dan and Chuy Hall
