Vol. 277

MONTHLY NEWSLETTER

October 2015

*For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ. For the body is not one member, but many. But now hath God set the members every one of them in the body, as hath pleased him.* 1 Corinthians 12:12, 14 and 18

*I have planted, Apollos watered; but God gave the increase.  
So then neither is he that planteth anything, neither he that watereth; but God that giveth the increase.  
Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. For we are labourers together with God: ye are God's husbandry, ye are God's building.*  
1 Corinthians 6:6-9

God has a diversity of instruments in His Body, the church. We are blessed here at MITC to see many different parts of the body of Christ in action as they come to serve the Lord Jesus among us. Some are preachers and others are doctors. We have carpenters, painters and builders and welders. Some do sewing, some cooking, others are dentists, some are ophthalmologists, teachers, students, singers and gardeners, but all are servants in the Name and Love of Jesus Christ. It is great to see the LORD take His children and USE them for His glory and the growth of His Gospel kingdom on this earth! We serve an awesome God and Father.

Some servants are young while others are older, as was the case of our team of **Bunk Bed Builders** from **Broadmoor Baptist**. God brought these young in heart to help us with our much-needed bed-making project for the new dorms and rooms here on campus, and particularly for the VCM project. With over 450 years of experience in this six man team, they quickly made and assembled ten bunk bed sets during their short visit. It was a testimony to God's love to see these elderly men, led by pastor **Larry Williams**, give all their strength and heart to accomplish this task in our carpentry shop. These new beds will be a big blessing, especially during

the many conferences throughout the year, youth camp and congresses. Praise the Lord for these men who helped with this work.

Robinson Team

Doctors have been greatly used by the Lord from the beginning of MITC almost sixty years ago. Starting with my dad, **Dr. John Hall**, and many of his friends, they used their medical skills and knowledge to help others with their sickness and, at the same time, shared the Gospel of Jesus Christ. Today, God continues to use doctors for His honor and glory. **Dr. Tom Robinson** has faithfully served the Lord helping others here in Mexico for almost forty years. Dr. Tom's testimony of love for the Lord has affected thousands of lives, helping them to regain sight, and also providing the opportunity to hear of the Lord Jesus Christ! This year, Dr. Tom's son **Dr. Carey Robinson**, joined him to come and serve during our **Eye Surgery Campaign**. They teamed up with national doctor and friend, **Elesban Santos**, to

treat, consult and operate on many patients with eye disease (mainly cataracts). Once again, many people that would never have an opportunity to see were freely given sight restoring surgeries in the Name of Jesus, bringing honor to the Lord! We are thankful for these instruments of God's grace and all the work they accomplished during their time here with us in Cordoba.

Tom & Carey Robinson

Dr. Elesban

**Yolis** is one of our fourth year students in the "full-time" program. This means she is now in her **Year of Practice** assignment, serving with a church designated by the mission. Yolis comes from the **Chinanteco** village of **Usila**, but she is working this year with churches in the **Nahuatl** region of **Aculcinapa**. God is using Yolis and the brethren of Aculcinapa to share the Gospel in new areas where there is no evangelical church. One of these places is **Xoxocotla** where they have asked her to teach music to the high school youth. This will

Yolis

provide a special opportunity for her to share her faith in Christ. Keep her in your prayers as this young servant of God gives witness to God's grace and salvation in Christ.

Mark Engelthaler was greatly used of the Lord as he shared from the book of **Exodus**, during our **Village Leaders Conference** this month. Mark is one of the Pastors of **Woodcreek Church in Richardson, Texas**, and has been a dear friend and teacher among us for many years. We have seen the Lord use his ministry of the Word of God and experience in Church work to guide and prepare others in a profound way. The conferences focused on living in the Presence of God, as illustrated by the experiences of the people of Israel in their Exodus. We had a good number of the brethren attending from the **Chinanteco, Cuicateco and Mixe** villages. In addition to the conferences, the brethren also received classes from the faculty with subjects helpful to their ministry in the churches. It was great to have Mark and all the leaders from the mountains, joining all the mission family, students and staff for this time in the Word of God.

Dr. Scott Kacy was used as a special instrument of the Lord here at MITC during many years giving faithful service as a surgeon, board member, supporter and friend. Invited by **Dr. David Powell** to come down and perform general surgeries on people from the mountains villages and from the Cordoba region, Scott lovingly helped hundreds of patients with much needed medical attention. His surgical skills were par none, as he used them for the glory of the Lord and to proclaim His love and mercy. The Lord called Scott home this year on August 31 after a time of difficult health issues. We miss our big bodied, big hearted and big mustached doctor friend and we thank God for allowing us the privilege of having him here at MITC for many years.

Mark E. and Village Leaders

Drs. Powell & Kacy

So God has a variety of members in His body and all kinds of instruments for His service. Young or old, skilled or not, in God's hands His Work is done through us. May we be willing to be used by His grace for His glory all of our days!

Thank you for your love for us and for God's work here at MITC. Thank for your prayers and support.

In His grace,

*Dan and Chuy Hall*
