**MONTHLY NEWSLETTER**

**February 2015**

Beloved Friends and Brethren,

*“But thanks be to God, who gives us the victory through our Lord Jesus Christ.*

*Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your toil is not in vain in the Lord”.*

*1Corinthians 15:57, 58*

*“Now may our Lord Jesus Christ Himself and God our Father, who has loved us and given us eternal comfort and good hope by grace, comfort and strengthen your hearts in every good work and word”.*

*2Thessalonians 2:16, 17*

*“For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus”.*

*Philippians 1:6, 7*

To be steadfast and immovable, always abounding in the work of the Lord is only possible by the grace and mercy of God in the believer’s daily life. God graciously allows us to see living testimonies of His CONTINUING work day after day and year after year in the lives of many of His children and our brethren who come to serve with us and be a part of God’s work here at MITC. It shows us that when HE starts a Work in and through us, He will continue it for His glory and to accomplish all He wants through us. What a privilege and blessing we have as children of God.

In the month of January, we had the visit of our dear friend **Dr. “Bo” Worley**. He has been coming down to **Mexico** since the 1960s, when he would fly people down in his private aircraft to help in medical campaigns. Bo also would use his Oral Surgeon skills to relieve many people of their bad teeth. Even though Bo is no longer piloting people down, he continues to lead and encourage others to come and serve the Lord as short-term missionaries here among us. Bo also continues to pull teeth and he is still the wisdom tooth King! He is strengthened by the Lord even though he is getting

close to the eighty year old mark in life. Bo is part of the **Emmanuel Baptist Church** group that comes each January. Some in this group worked on construction projects and others

were part of the dental team along with Bo and **Dr. Dan Crawford** and **Dr. Liz Velazco**. God blessed the efforts of these brethren on campus and also as we went out with mobile dental clinics to rural areas and churches in the Cordoba area, sharing the love and message of Jesus with many. Praise the Lord for continuing his work!

We also saw God’s continued work and blessing in the group from **First Baptist Church of Haughton, Louisiana**, led by **Mark and Sherry Hagerjhelm**. Their team combined with a group from **Canton, Texas**, led by **Dick Patterson**. This construction team laid brick and poured concrete beams on the 2<sup>nd</sup> floor of the new **VCM** project building, getting it ready for the roof a few weeks later. **John McDaniel** was among the team. John’s first contact with MITC was also back in the early 60’s when, as a young man, he met **Dr. John Hall** in Shreveport for a medical consult and then went to him as

a family doctor for several years. Now John has been coming to help with construction here at MITC in Cordoba for more than twenty years. God's continued grace and blessing! It was great to see the tremendous effort of these brethren giving themselves to the Lord through the hard work that was done. Also, there was tremendous ministry done for children in the orphanage and at the churches during the week.

**Bill Britt** has been coming down to Mexico to share the message and love of Christ for over twenty years. God uses this dear brother and friend to exalt the Name of Christ and call people to believe in Christ and give themselves completely to the Lord Jesus. Bill also travels all over the world proclaiming the message of Christ and has a great ministry to the people of **Africa** and **India**. We are thankful that the Lord allows us to have him and his wife **Wendy** for our **Village Leaders Conferences** in February and for the

**Youth Camp** in July each year. In this we witness God's continuing among us in these servants.

**Dr. David Powell** started his trips to serve God in Mexico in the early 1970s as a medical student. Today, he leads a team of surgeons down each year in February to do surgeries, helping many people in the Name of Christ. We thank the Lord for over forty years of service to God and to the people of Mexico in our area of ministry. God once again blessed this special time as over thirty General Gynecology surgeries were performed. While

David worked with **Dr. Peternielle, St. Amand** and **Wooten**, our students shared the Gospel and prayed with patients and family members waiting to be helped. Praise the Lord for keeping this medical missionary witness going until this day.

Also a testimony to God's continuing grace is the life and ministry of our dear friend **Bill Brewer**. He started coming down on mission trips as a teenager in the 1960s with my dad, Dr. John Hall. Initially interested in Basketball, Medicine and Evangelism, he made many trips all over southern Mexico helping in small Indian villages with medical missions. Later, Bill felt called of the Lord to full time ministry and has now been the pastor of the brethren at **Woodcreek Church** for many years. This

has led many brethren in the church to want to serve the Lord in missions outside the United States, making mission trips continuously here to Cordoba since the early 1980s, by God's grace and faithfulness. We are blessed by visits of their **Youth Group, Women's Team, Dental Team** and **Men's Construction Team**. This year, Bill and **Tom Belter** led a team of forty men down to put the roof on the new **VCM** (villa/classroom/medical) building. God blessed their efforts and gave us protection in the project. Not only did they finish the assigned project, but also took on several others during the ten day stay (dental clinic roof, closets, roof on chicken coups, stage extension etc). God continues to work amazingly through these brethren and the love and fellowship He has given us.

We also know that we have many beloved brethren and friends who have only heard of the work here in Mexico and have never been able to come. But GOD has faithfully moved your hearts to support us daily in your

prayers and giving of your means to further the Work of the Lord here at MITC. You are as much a part of God's mission here in Mexico as each of us here in the field. Many of you have served with us in this way for many years. We praise the Lord for you and for His blessing and continuing provision through you. To God be the Glory and Muchas Gracias (many thanks) to each one of you.

Yours in His grace,

*Dan and Chuy Hall*
