MONTHLY NEWSLETTER

Dec. 2014 / Jan. 2015

*Grace to you and peace from God our Father and the Lord Jesus Christ.<sup>3</sup> I thank my God in all my remembrance of you,<sup>4</sup> always offering prayer with joy in my every prayer for you all,<sup>5</sup> in view of your<sup>(c)</sup> participation in the gospel from the first day until now.<sup>6</sup> For I am confident of this very thing, that He who began a good work in you will perfect it until the day of Christ Jesus. Philippians 1:2-6*

“Good News for the Inner Man,” was the topic of our studies during the **December Bible Conference** with our teacher, **Pastor Mark Webb**. In this study on the book of Philippians, we learned about how we should think as Christians. We also learned how in Christ we are enabled to be joyful and content in all circumstances, just as Paul while in chains, wrote this book of encouragement to Philippi. God worked powerfully through His Word in our lives and brought much needed grace and understanding on how we should live as children of our Great God and Savior Jesus Christ. Our fourth year students were in from their field assignments of the year of practice. They heard these teachings

and also gave a report and received counsel from the staff regarding their ministry situations and challenges. Also attending the meetings were many of our Alumni who came for their annual reunion. The time in the Word and the fellowship was refreshing as they continue with their ministries all over southern Mexico.

While Mark was preaching, **Dr. Dane Logan** from **Cincinnati** was working in the mouths of students, staff, alumni and friends, providing much needed dental care. Dr. Logan helps to keep a smile on the faces of the Ministry here at MITC! We are

thankful for this much needed care for all of the MITC family. Dane has served us lovingly for many years and we are thankful for his ministry and friendship. Our alumnus, **Liz Velazco** (who is also a dentist), assisted Dane in his work during this week, helping him with the large number of patients needing treatment.

As we celebrated the birth of our Lord and Savior Emmanuel in December, our Youth Choir presented the cantata **"Praise the King"** ten times in different venues and churches. In each place, the Gospel was preached and the message of Jesus the Sovereign King and Savior was announced. People were called to obey His rule, believing in Him for Salvation and Eternal life in His kingdom. All Hail the Power of Jesus Name! Because He came and died and rose again, we can have Salvation in His Name. We are thankful for the Youth who work hard during the preceding months to learn the music and who sing with great passion and excellence for the Lord. Also, we praise the Lord for the leadership of our staff members **Marco and Esdras Barroso**, as they train these young men and women for these wonderful

presentations and also provide spiritual oversight in the lives of all the choir members.

God has graciously provided for the construction of the church building up in the village of **Peña Verde**. The brethren in this remote mountain area were greatly encouraged when they received the much needed funds through a special love offering, to begin with the work on the foundation and walls for their meeting place. With much hard work, led by **Brother Taurino**, they have carved a space in the side of the mountain to build their church. This is a small group of believers, but very faithful to the Lord. They seek to shine with the light of the Lord in their area among the

**Cuicateco Indians of Oaxaca.** Praise the Lord for His work in and among these people.

We request your prayers for two of our MITC family members at this time: **Bill Magee, our Emeritus Executive Director**, is battling with many health issues that are life-threatening at his ninety-three years of age. We pray for grace for him and his family at this difficult time. **Vicky Sanchez, Brother Ron's wife**, is recovering from surgery for breast cancer and will be starting treatment soon.

We are grateful for God's hand in blessing and gracious providence upon us, **The Hall Family**. The month of November, **Kirby** graduated from his Master's Degree program in Engineering and in December,

**William** finished his Medical School and began his internship in one of Mexico City's Federal Hospitals. **John** continues working in his import business in the United States, and also serves in a Hispanic church in McAllen, TX. **Brandon** is finishing his 3<sup>rd</sup> year of Physical Therapy School and is also finishing his 3<sup>rd</sup> Year in our Saturday Seminary Program. Chuy and I are grateful for all your prayers, love and support for us and very thankful for what God is doing in our son's lives. Please continue to pray for us, especially that we may give honor and glory to the Lord in all things.

May the Lord's grace and blessing be upon us in 2015. We treasure your prayers for us and participation together in God's service here in Mexico.

Yours in His grace,

*Dan and Chuy Hall*
