*But God, who is rich in mercy, for his great love wherewith he loved us, Even when we were dead in sins, hath quickened us together with Christ, (by grace ye are saved;) And hath raised us up together, and made us sit together in heavenly places in Christ Jesus: That in the ages to come he might shew the exceeding riches of his grace in his kindness toward us through Christ Jesus.*

Ephesians 2:4-6

Hello Beloved Brethren and Friends,

Our amazing God, is rich in mercy and grace toward us through Christ Jesus! If by grace we are in Christ Jesus, we have it ALL! We are abundantly and exceedingly blessed in HIM for all eternity, with life, love and forgiveness. No matter our estate in this world, we have this treasure that will never diminish awaiting us in our heavenly Home! Praise and thanks to our Savior and Lord! If this was not enough, He allows us to be part of His Kingdom work in this world, sharing the riches of HIS love and grace through the Gospel to others. We are very thankful for the opportunities and the means He provides for us to serve Him here in Mexico.

Sharing the love of the Lord, we had a group of ten medical personnel led by **Dr. David and Wendy Powell**, who came and performed surgeries for people from different areas of **Cordoba and Oaxaca**. Over forty patients were attended by the doctors in the three day campaign, helping with a variety of problems in the fields of general and gynecological surgery. Our students became “nurses”, working with the doctors and nurses from the States and had close contact with the patients to share the Gospel, pray and support the patients during pre and

post-op. This was a great time of ministry of love in the Name of Jesus, to many who had been unable to get help with their physical problems. We are especially thankful for forty years of God's enabling, blessing and provision for Brother David to do **Medical Missions** with MITC in Mexico!

The word of Christ and the riches of His forgiveness were presented and expounded in the preaching and teaching of our friend **Bill Britt**. Youth Rally's, Public Evangelistic Concerts, Village Leaders Bible Conferences and church services were all scenarios where God allowed the message to be presented.

Many who heard were impacted by the Word and moved to repentance. Others expressed a desire to study and prepare for service in the Bible Schools. Still others were yet seeking for the Lord to use them as missionaries in Mexico and, as God provides and leads, to other parts of the World. We thank the Lord for Bill's love for the Lord Jesus and his service among us in Mexico. We pray the Lord will continue to use him not only here, but also in **Africa, India, Pakistan, the Philippines** and in the **United States**.

The Lord continues to work in the life and ministry of **Pastor Fernando** and the church at **El Pochote**. We have shared how this small congregation is very active in serving and ministering to those in very difficult situations. For several years, they have been allowed to share the Gospel, music, food and the love of Jesus with many in alcohol and drug rehab facilities in the area near the church. God has now burdened Fernando and the church to especially help the younger teens and pre-teens in these situations for whom the rehab facilities are no longer adequate or safe for their treatment. Fernando is planning

to establish a church-based ministry to help these younger ones in need. This has led to the construction of the **Ministry Project** at the Church at El Pochote. A facility is being built to help the church with its ministry activities and outreach. To accomplish an important part of this, we had the brethren from **Woodcreek Church** led by **Tom Belter and Pastor Bill Brewer**. They came with a twenty man team and put a roof on the Ministry Project building. Amazingly, this was accomplished in a five

day span! God blessed their work with safety, strength and skill to do a wonderful job. We pray that this building will be used for the glory of God and blessing of many through the years, as the church at El Pochote continues to share the riches of God's grace with others.

We are grateful for the conclusion of the first "official" semester of the **Christian Music School**. A beautiful recital of Christian Hymns and choruses was presented by the forty-three students who are enrolled in classes of General Music, Choir and Group direction, piano, guitar, bass and drums. God continues to use **Brother Eric Vazquez** to lead us in this ministry. Working with him are MITC staff members **Jimmy, Marco** and **Esdras**. The ages of the students are from seven to sixty-seven! As these students prepare to serve in church music ministries, we pray that the Lord will greatly use them in this region of Mexico.

We are greatly blessed in God's grace and love! Each of you who pray, give, visit and are united with us in His service, are equally part of this sharing of God's riches in Mexico. Thank the LORD and each one of you who serve us in His Name. Gracias!

By His grace,

*Dan and Chuy Hall*
