*And said, I beseech thee, O Lord God of heaven, the great and terrible God, that keepeth covenant and mercy for them that love him and observe his commandments: Now these are thy servants and thy people, whom thou hast redeemed by thy great power, and by thy strong hand. O Lord, I beseech thee, let now thine ear be attentive to the prayer of thy servant, and to the prayer of thy servants, who desire to fear thy name: and prosper, I pray thee, thy servant this day, and grant him mercy in the sight of this man. For I was the king's cupbearer. Nehemiah 1:5,10,11*

*Pray without ceasing.* 1 Thess 5:17

God blessed the teaching of His Word during our Graduation Bible Conference by **Pastor Tom Harrison** from **Broadmoor Baptist Church**. We studied the Book of Nehemiah and learned of God's work of restoration of Jerusalem using the life of this devoted servant. The lessons from the ministry of Nehemiah were a perfect send-off for these brethren who finished their time in training here at the Bible School and now are going out to face the challenges of full time ministry. Prayer rises as the greatest need, for all who will follow in Nehemiah's footsteps of service, courage, restoration and perseverance in God's holy work! A vivid picture of the spiritual battle in the work of God was painted through the historical account in this great Old Testament book! We are thankful to the Lord for the seventeen graduates (8 in the full time program and 9 in the Saturday Seminary) whom God gave us the privilege of knowing and teaching for the last four years. Our prayer is that they too will be a great blessing in the work of God. We know that they

will be courageous in faith and strong in His Spirit and will be used for a mighty work, for the Glory of Jesus and His Eternal Kingdom! We were also greatly encouraged and blessed at this time with the presence of a good number of our MITC board members. These men represented all those who make this work possible by following God's prompting to serve Him

and lovingly give to the work here in Mexico. Praise the Lord for this wonderful time of gratitude and celebration of HIS faithfulness upon the work here at MITC. It is all from Him and for Him and we praise His Holy Name!

One of the special blessings we have here at MITC is working with

children. The Bible School's program has a huge emphasis on this, especially in the girls program. However, all of our students go through a special **VBS** training workshop that we have each year. A complete program

Linda Webb

is taught step by step and the students are equipped to go and set up Vacation Bible Schools in many areas throughout southern Mexico. Our workshop and VBS program is created and developed each year by **Linda Webb** from **Grace Bible Church**. She comes down for two weeks each year to set up and conduct the training for our students, VBS directors and teachers from churches from the Cordoba region and beyond. Usually each year, the school distributes this program to about seventy-five churches, so literally thousands of "little ones" are reached with the powerful message of the Lord Jesus! This year's theme was titled, "Mission Impossible: The Redemption of Man". God greatly blessed Linda as she taught and practically took the class to the land of Israel to see the places where Jesus was born, lived, ministered, died and rose again. The program taught of God's grace and perfect time and Plan in the Salvation for man. We are thankful for Linda's life and ministry, as well as for the team that came and served with her at this time.

To help prepare for graduation and to

work on necessary projects, we were blessed by the following teams who graciously gave their time, strength and means to serve the Lord among us:

First of all was the team led by **Cecil and Sissy Snider** from **Summer Grove Baptist**. They helped us with a much need repainting of the boys dorm and bathroom, refurbishing classrooms and desk chairs and helped with the construction of the new Dorm. During their stay, pastor Aaron taught in Chapel and preached at local area churches. Also in the group was

“Barbecue Chef” **Mark Ambrose**, who treated the whole mission family to his famous beef fajita dinner! We had a great time of fellowship around the table and the love and encouragement was great during the whole week!

Next was the group from **First Baptist of Haughton**, led by **Mark and Sherry Hagerjhelm** and family, along with **Tom and Jennifer Crow**. This group also helped with maintenance and construction projects here on campus. They also worked with the children at the local orphanage. Jennifer spent time with **Pastor Fernando**, sharing from her experience in counseling and rehab ministries.

**Red, Mary and Flo Miller** came down representing **Lifeway Baptist**. This three-man team did a great job working on a very specialized project: pews for the **Cuicateco** churches in **Pena Verde** and **Teponapa**. Working hard day after day in the carpentry shop, they cut and sanded 200 boards for 24 pews that will be a

huge blessing for the brethren up in these mountain villages.

God is our provider in all things, both through those who come and serve with the time and means here on the field, and also through those who from a great distance, pray, love, and give for the daily sustenance of the work here in Mexico. We Praise His Name and thank each of you for serving with us in each of these ways. May the Lord continue to build, restore and bring glory to His Church using the instruments of His Grace.

Yours by His Grace,
