MONTHLY NEWSLETTER

September 2012

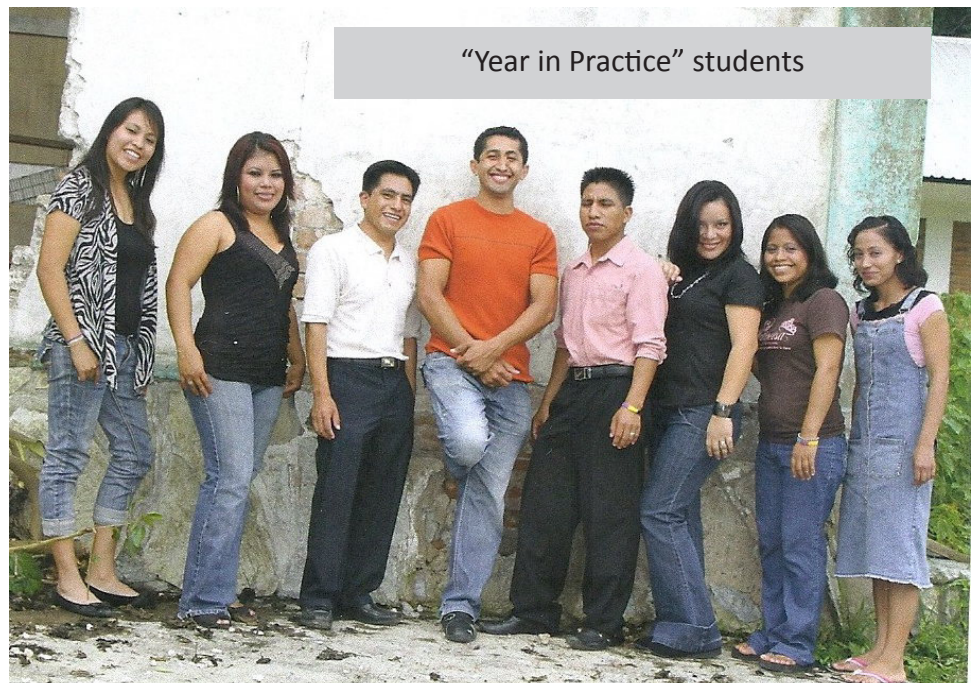

But it is good for me to draw near to God: I have put my trust in the Lord GOD, that I may declare all thy works. Psalms 73:28

Blessed is the man whom thou chooseth, and causeth to approach unto thee, that he may dwell in thy courts: we shall be satisfied with the goodness of thy house, even of thy holy temple. Psalms 65:4

LORD, I have loved the habitation of thy house, and the place where thine honour dwelleth. Psalms 26:8

To declare the works of God, to be satisfied with His goodness and to love the place where His honor dwells, are blessings we all have as children of God through Christ Jesus! But these things are even a greater privilege and responsibility for those called to be servants in and to the church of our Lord. We are very grateful for the beginning of the new school year 2012-2013, by the grace of God. The Lord has brought us twenty-four students for the freshman class, giving us sixty-two students in the "full time" program. Joining these are the fifty-two in the "Saturday" seminary program, for a grand total of 114 students this year. It is exciting to think of the potential in these young lives surrendered to God's service! We believe that our students are an answer to prayers that God would send workers to the Harvest! Thank you for praying and please continue to do so.

The "Year in Practice" students have started their work at their assigned churches. We pray that they will be a blessing and a help to the churches where they are commissioned. As always, it is sad not having them on campus, as they have become very dear in the MITC family. But it is a joy that they are "going forth" to fulfill the Great Commission. Please pray for them as they serve the Lord's people. **Lewis** is serving in Santa Maria Papalo, **Basilio** is in Orizaba, **Eloyda** is in Usila, **Eunice** is in Cordoba, **Elia** is in El Cacique, **Ester** is in Acayucan, **Elizabeth** is in La Cumbre, and **Uribe** is in Teponapa. During this year, they will depend on the local church for their support and will help with many aspects of ministry. Their year will be

completed next June, then they will graduate. Praise God for those He causes to “approach him and maketh them dwell in His house”.

Our last group of the summer was led by brother **Lamar Nelson**. This group’s primary ministry was helping in the Vacation Bible School at the church in **El Pochote** with MITC missionary pastor **Fernando Martinez**. El Pochote church is located on the outskirts of Yanga. God has mightily used Fernando in sharing the Gospel of Jesus in this area. In the midst of very dark spiritual situations, many people have come to

know the Lord in this church. **Sister Deborah Moorehead** headed up the VBS group and worked teaching the children of the powerful Gospel and how it affected the world in the early New Testament times. Many children from non-believing homes attended the VBS. The following Sunday, some of their parents came to church for the first time and have been attending since. The rest of the team members helped with sewing projects, carpentry work, painting and construction here on campus. (We always have many things to do for those who come willing to work, regardless of their skill level). In the afternoons during the week, these brethren visited several other churches to hold Bible Clubs. They visited Huatusco, Neria, and La Cumbre and Miahuatlan.

Marisol was the first young person to believe in Christ in her town of Miahuatlan. When she turned fifteen, she asked her mother that the traditional celebration in Mexico for a fifteen year old girl “Quinceañera”, be turned into a meal to invite her friends from high school in order to share the Gospel with them. That was when we met her and came in contact with this place for the first time. Two years later, she came to study in the Bible School in the full time program. Marisol graduated two years ago and now back in her home town sharing the gospel. The church meets at her home under a tree in the back yard. There are several families now attending after years of strong opposition to the Gospel by the entire town. We took a dental team there to share the Gospel several years ago and no one came to the clinic because it was held in the only Christian home in town. Today, we send students

every weekend to preach and help Marisol and God continues to bring people to Himself using their testimony. Please pray for Marisol, and that this work would continue to grow for the glory of the Lord!

The **United Youth Choir** was used again by the Lord to share His Gospel in the Mexico City area, during a weekend series of meetings organized by alumni/pastor **Eric Castellanos**. In this area where there are literally millions in darkness of unbelief, the Lord allowed His Gospel to be shared in public “open air” meetings and in churches. God used His powerful Word in song and preaching to call others to Him by faith in Christ and repentance of their sins toward God. It is always a wonderful blessing to see God using the voices of these young believers who are dedicated to the choral ministry, declaring His works and His glory.

As we begin this new school year, please pray for God’s Provision, Protection, Wisdom and Guidance in all that we do here at MITC. Thank you for your prayers and loving support, by which we are able to “carry on” with the many different aspects of ministry: through the Bible School, Churches, Missions, Conferences, Medical outreach, Evangelistic meetings, Camps, etc. All this is for the advancement of His Kingdom and Proclamation of the Gospel of Jesus. May His Honor dwell among us, His grace upon us, and may He be glorified in our lives as we serve together!

Yours by His grace,

Dan and Chuy Hall
