MONTHLY NEWSLETTER

August 2012

The LORD hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee. Jeremiah 31:3

But we are bound to give thanks alway to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth: Whereunto he called you by our gospel, to the obtaining of the glory of our Lord Jesus Christ. 2 Thessalonians 2:13, 14

The Everlasting Love of God and the Gospel that brings us to obtain the Glory of Jesus Christ, are Amazing, Indescribable and Unfathomable treasures we have as the children of God! Yet, we are able to SEE the manifestations of these workings of the Lord among us. His love is made real in His children and servants who proclaim the saving Message in word and deed. WOW!

We had the privilege of seeing this worked out in a special way through our beloved brethren from **Broadmoor Baptist**. They brought down a medical missions team with the sole purpose of sharing God's love through their skills and gifts

Cesar

for the people here in Mexico. Working side by side with our staff and students, they gave medical consults and treatment to over two thousand people during their stay. Part of the team went to work among the **Mixe** tribe down in **Mogone** and others worked in different places each day here in the central area of the State of Veracruz. Many, many people were exposed to the Gospel for the first time. God used the love shown by our brethren to open doors in *places* where there is no church or witness of Christ. God also opened the *hearts* of people to the glory of Christ. We are thankful for the leadership of brother **Larry Williams** in this entire event and for the loving service of everyone in the group.

Broadmoor's Dr. Mook and a patient

Cesar graduated from our Bible School just a year ago and God has

placed him in the small town of **Esperanza**, close to mount **Orizaba**. There he serves as the pastor of a small congregation and supports himself by selling electronic devices. There is a smaller village further up the mountain where there are no believers, called **Las Fuentes**. Cesar has begun visiting this place and the Lord has opened a home to have a Bible Study and a Children's Club once a week. Pray for Cesar, that God will protect and use him to bring Glory to Christ through the Gospel proclamation.

VBS at MITC

Youth Camp

In the month of May, we had our Vacation Bible School Workshop with sister **Linda Webb**. During July, we had our main month for holding these VBS in many churches throughout southern Mexico. More than fifty weeks of VBS were held by students, staff and alumni in different churches. The teachings of God's working by His Spirit in the early church and the ministry of the Apostles, "flew" from village to village as the children boarded a "plane" to fly to Jerusalem, Antioch, Ephesus and Rome. At each location, they learned of the testimony of the Gospel through the first New Testament believers. The children were also challenged to share the

Word of Jesus. In every place, many children from non-believing households attended and brought their mothers with them. So, the Gospel message spread into many new homes through this ministry throughout the states of **Veracruz, Oaxaca, Puebla, Tabasco** and **Chiapas**. We also had our annual "on campus" VBS for the neighborhood children, 90 percent coming from non-believing homes. Once again this year, the Lord blessed in a great way, bringing nearly 100 children each day to the VBS. **Brother Alfredo Arce** headed up this effort, working with special VBS workers from **Delhi Hills Bible Chapel**, led by **Kara Landis**. While the kids were in VBS, we had a crafts class and Bible study each day for the more than twenty-five moms who came to bring their children. We are grateful for this special time of ministry. The rest of the team from Delhi Hills helped with construction projects and shared in the ministry of local churches in the area.

Our privilege and responsibility to share the Gospel was the main theme in this year's Youth Camp titled "Mission Possible". **Preacher Bill Britt** presented the Gospel and challenged all to seek the Lord's empowering to

bravely obey and share the Gospel of salvation in Christ through repentance and Faith in Him alone. The biographies of many of God's servants of the past were used to motivate the minds of the youth attending, teaching that no sacrifice is too great when done for the Glory of God and His Gospel. Also illustrating this powerful Message was the youth group from **Community Harvest Church** led by **Pastor Danny Giltner**. These brethren presented dramas and also served in the kitchen, helping us feed around 300 people each day. God worked among us in a special way as many hearts were touched by the Word and several youth sought counsel regarding the call to surrender to full time ministry. We thank the Lord for **Jimmy Vazquez**, our camp director and all the students and alumni who help staff this special week of the summer.

Danny Giltner Group

Please pray with us regarding the start of the new school year as we depend on God for all things. We especially wait upon Him to bring the new students to prepare for ministry and we desire that the Lord of the Harvest send us those workers that He has called for His great Work.

We thank you very much for your love, prayers and support. God uses these to do His work in and through us here in Mexico. May He receive all Glory!

Yours in his Grace,

Dan and Chuy Hall
